RE: College Works Painting

To Whom It May Concern:

I am writing on behalf of Lexi Forman and her crew Caitlyn & Austin. They recently painted the foundation and trim around my front door.

Lexi approached me in the spring about painting our home. She talked about the internship she was doing with College Works. I had used college painting interns before when I lived in Virginia and was happy with the work. Lexi was very polite and pleasant to work with. She was professional while discussing the program and my estimate.

Lexi and her crew were very easy to work with and always worked with a smile. The new coat of paint looks great.

I am happy with the work of College Works and would use them again.

Sincerely, A
