To Whom it May Concern,

We are very pleased with the work College Painters did on our house.

From the start, Bill Ferst and his crew were very accommodating and easy to work with. Bill was very thorough in conveying the scope of the project and working within our schedule. The daily walk-around the house kept us up to speed on the progress and allowed us to make any needed changes, which the crew happily carried out.

I also appreciated their flexibility in adding on to project, such as painting the lamppost and front door.

The workers were very polite and did a good job cleaning up when they were finished.

We will recommend College Painters to our neighbors and friends.

Thanks for all your hard work,

Susie and Rob Gould
