To whom it may concern:

We are very happy with our experience with College Works Painting. Although our painting and power washing job was relatively small, it was handled professionally and with great care. The work was excellent and was carried out in a timely manner. Owen Thomas was very professional in his presentation, management and execution of the work.

Gary Marean did a wonderful job of painting the shutters and kept the area neat and clean.

We would highly recommend the College Works Painting program and Owen Thomas in particular to our neighbors and friends. For such a small job, we were extremely impressed by the serious attention to detail that it received.

Sincerely
